

Nursing Rooms

Terminal 2 – Located on the 2nd floor past TSA screening, across from Gate 207, next to the Women’s Restroom.

Terminal 4 – Located on the 2nd floor past TSA screening, across from Gate 407, next to the Family Restroom.

The Nursing Rooms at ONT provide a private and secure space for a mother to pump or breastfeed. The rooms were constructed following the California Building Code and comply with federal and state ADA standards. Padded benches and an electrical outlet are provided in each room. The Nursing Rooms are not associated with a restroom but are in close proximity to one.
