PUBLIC COMMENT
Public Comment: The open meeting Public Comment portion of the Commission meeting is limited to a maximum of 3 minutes for each. Additional opportunities for further Public Comment will be given during and at the end of the meeting. Under provisions of the Brown Act, the Commission is prohibited from taking action on oral requests.

AGENDA REVIEW/ANNOUNCEMENTS
The Chief Executive Officer will go over all updated materials and correspondence received after the Agenda was distributed to ensure Commissioners have received them.

1. INFORMATION RELATIVE TO POSSIBLE CONFLICT OF INTEREST
Note: agenda item contractors, subcontractors and agents which may require member abstentions due to conflict of interests and financial interests. Commission Member abstentions shall be stated under this item for recordation on the appropriate item.

CONSENT CALENDAR
All matters listed under CONSENT CALENDAR will be enacted by one motion in the form listed below – there will be no separate discussion on these items prior to the time Commission votes on them, unless a member of the Commission requests a specific item be removed from the Consent Calendar for a separate vote.

Each member of the public wishing to address the Authority on items listed on the Consent Calendar will be given a total of 3 minutes.
2. **APPROVAL OF MINUTES**

Minutes for the special meeting on June 24, 2019, cancelled meeting on June 25, 2019, special meeting on July 2, 2019, and cancelled meeting on July 23, 2019 of the Ontario International Airport Authority and approving same as on file with the Secretary/Assistant Secretary.

3. **BILLS/PAYROLL**

Bills June 1, 2019 through June 30, 2019 and Payroll June 1, 2019 through June 30, 2019.

That the Ontario International Airport Authority (OIAA) authorize the Chief Executive Officer (CEO) to negotiate and execute an easement between the Ontario International Airport Authority and Ontario Municipal Utilities Company, City of Ontario, as part of the MTS & SWA Cargo Relocation project. The easement is being prepared by an OIAA consultant, Mead & Hunt based on engineering drawings prepared by the project designer, OIAA consultant TY Lin International, as part of the MTS & SWA Cargo Relocation project. The OIAA and its counsel will review and provide comments to Mead & Hunt as part of standard procedures for an OIAA project, therefore, there will not be any fiscal impact.

5. **APPROVAL OF THE SECOND CONTRACT AMENDMENT TO HELIX ENVIRONMENTAL PLANNING, INC., FOR PREPARATION OF ENVIRONMENTAL DOCUMENTATION FOR ONTARIO INTERNATIONAL AIRPORT**

That the Ontario International Airport Authority (OIAA) authorize the Chief Executive Officer (CEO) to amend the existing Helix Environmental Planning, Inc., Contract No. SCONT-000045, to include the proposed term of contract as three-years with two, one-year extensions, for an authority amount of $174,029 over the first and second contract year; $150,000 for the third contract year; and, authorize the CEO to exercise the two, one-year extensions at $150,000 annually, for an overall contract amount not to exceed $624,029 over the five-year term of contract.

6. **A RESOLUTION ADOPTING A 415(M) PLAN AND DESIGNATION OF ELIGIBLE EMPLOYEE**

That the Ontario International Airport Authority (OIAA) adopt the Ontario International Airport Authority Excess Benefit Plan.

RESOLUTION NO. __________

A RESOLUTION OF THE ONTARIO INTERNATIONAL AIRPORT AUTHORITY COMMISSION ADOPTING THE ONTARIO INTERNATIONAL AIRPORT AUTHORITY EXCESS BENEFIT PLAN
7. **AUTHORIZE APPROVAL TO RENEW THE MICROSOFT ENTERPRISE AGREEMENT FOR OFFICE 365**

That the Ontario International Airport Authority authorize the renewal of the Microsoft Enterprise Agreement for a term of three years with Software One. The total cost for the three-year agreement is $182,350.00 billed in 3 yearly installments of $60,783.88. The cost includes Office 365 and Software Assurance for all Ontario International Airport Authority Enterprise Microsoft Products.

That the Ontario International Airport Authority (OIAA) authorize the Chief Executive Officer (CEO) to negotiate and execute a Lease Agreement (Lease) between the Ontario International Airport Authority (OIAA) and Majestic Terminal Services (MTS). The anticipated annual revenue from an initial five-year term is expected to be approximately $1.1 million. This rent will be calculated based on the FY2019 rates, and on and after July 1, 2020, OIAA will have the right to adjust MTS’s rent to reflect a fair market value as reasonably determined by OIAA. Thereafter, rent will be adjusted annually to the CPI.

9. **AUTHORIZE THE CHIEF EXECUTIVE OFFICER TO NEGOTIATE AND EXECUTE A CONTRACT WITH @YOURGATE LLC TO OPERATE AN ON-DEMAND DELIVERY AND SCHEDULED PICKUP SERVICE**

That the Ontario International Airport Authority Board of Commissioners (OIAA) authorize the Chief Executive Officer (CEO) to negotiate and execute a contract with AtYourGate LLC (AtYourGate) to operate an on-demand delivery and scheduled pickup service that delivers food, beverages, retail and passenger services in Passenger Terminals at Ontario International Airport (ONT). Upon execution of this agreement, AtYourGate shall pay the Ontario International Airport Authority a seven percent (7%) Concession Fee of its monthly Gross Receipts and monthly rent of $1,007 with annual CPI increase for office/storage space rented in the Passenger Terminals to support its operations.

RELEVANT STRATEGIC OBJECTIVE: Develop Airport Related Business.

RECOMMENDED ACTION(S): That the Ontario International Airport Authority (OIAA) authorize the Chief Executive Officer (CEO) to negotiate and execute an easement between the Ontario International Airport Authority and Ontario Municipal Utilities Company as part of the MTS & SWA Cargo Relocation project.

FISCAL IMPACT SUMMARY: The easement is being prepared by an OIAA consultant, Mead & Hunt based on engineering drawings prepared by the project designer, OIAA consultant TY Lin International, as part of the MTS & SWA Cargo Relocation project. The OIAA and its counsel will review and provide comments to Mead & Hunt as part of standard procedures for an OIAA project, therefore, there will not be any fiscal impact.

BACKGROUND: Ontario Municipal Utilities Company (OMUC) currently has an easement with the OIAA in Hellman Avenue that encompasses an existing 8” to 6” waterline. This existing 8” to 6” waterline will have to be taken out of service after the new 16” waterline is constructed and laterals are connected.

Locating a new 16” waterline in Hellman Avenue requires a new easement. The designer, TY Lin has provided the design drawings for the location of the new 16” waterline in Hellman Avenue and new

STAFF MEMBER PRESENTING: Mark A. Thorpe, Chief Executive Officer
easement documents are currently being prepared by the OIAA’s consultant, Mead & Hunt. It is anticipated that the OIAA will receive the new easement documents by early August. However, once the easement is prepared, it will be critical to execute and record the easement as soon as possible thereafter, so that the contractor can obtain the permit and schedule the construction of the new 16” waterline in Hellman Avenue, anticipated to occur at the middle of August, 2019. Construction completion of the MTS & SWA Cargo Relocation project is dependent upon the new 16” waterline being in place by the end of August 2019.

**PROCUREMENT:** N/A

**CEQA COMPLIANCE AND LAND USE APPROVALS:** The issuance of an easement to OMUC to provide domestic water to existing facilities are Categorically Exempt (Class 1) from the requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15301.

**STAFFING IMPACT (# OF POSITIONS):** N/A

**IMPACT ON OPERATIONS:** This action will have no impact to operations.

**SCHEDULE:** It is anticipated that the OIAA consultant, Mead & Hunt, have easement documents for review and signature by mid-August, 2019. The project’s contractor, AMG & Associates will construct the new 16” waterline by the end of August, 2019. Construction phasing for the MTS & SWA Cargo Relocation project is dependent upon the new 16” waterline being in place by the end of August, 2019.

**EXHIBITS & ATTACHMENTS:** Exhibit drawing showing the new 16” waterline award in Hellman Avenue.

SUBJECT: APPROVAL OF THE SECOND CONTRACT AMENDMENT TO HELIX ENVIRONMENTAL PLANNING, INC., FOR PREPARATION OF ENVIRONMENTAL DOCUMENTATION FOR ONTARIO INTERNATIONAL AIRPORT

RELEVANT STRATEGIC OBJECTIVE: Develop Airport-Related Businesses

RECOMMENDED ACTION(S): That the Ontario International Airport Authority (OIAA) authorize the Chief Executive Officer (CEO) to amend the existing Helix Environmental Planning, Inc., Contract No. SCONT-000045, to include the proposed term of contract as three-years with two, one-year extensions, for an authority amount of $174,029 over the first and second contract year; $150,000 for the third contract year; and, authorize the CEO to exercise the two, one-year extensions at $150,000 annually, for an overall contract amount not to exceed $624,029 over the five-year term of contract.

FISCAL IMPACT SUMMARY: Funds for this contract are approved in the FY 2019-2020 OIAA operating budget. Funding for subsequent years will be requested as part of the annual budget process.

BACKGROUND: The Authority posted a Request for Proposal (RFP) in June 2017 and received five responses for environmental analysis and documentation at Ontario International Airport. On August 22, 2017, the Commission approved the award of contract to Helix Environmental Planning, Inc., to prepare environmental documentation consistent with the National Environmental Policy Act (NEPA) and California Environmental Quality Act (CEQA) as per the contract’s Exhibit A. The initial award included the estimated amount of $124,482 for the Northwest Quadrant facility demolition. On March 23, 2018, the Commission approved the first contract amendment with Helix for environmental preparation for additional scope of work, in the amount of $49,547 for related

work associated with developmental projects such as the Guardian expansion and the FIS International Arrivals facility. This action clarifies the intended term of contract on an “as needed” basis for three-years with two, one-year extensions, and authorizes an annual authority amount of $150,000 for the third contract year and $150,000 for each of the two, one-year extension periods, for an overall amount not to exceed $624,029 over the five-year term of contract. In accordance with the Contract’s Exhibit A, upon the OIAA’s request, Helix shall provide additional services by developing a work plan detailing specific tasks to be completed and providing a detailed not-to-exceed budget for performing such tasks. Authorization for additional work shall be authorized by the OIAA through the issuance of a Notice-to-Proceed.

Amending the existing contract with Helix will not only provide the essential services that allows the OIAA to conform with the NEPA and CEQA requirements, it will provide the projected annual authority for staff to expedite the related documentation, as needed, to efficiently facilitate decision-making related to ONT land development as well as achieve sustainable results.

**PROCUREMENT:** Not applicable for this action.

**CEQA COMPLIANCE AND LAND USE APPROVALS:** The proposed staffing services decision is not a “project” under CEQA and does not require environmental review. To the extent the staffing services decision could be deemed a “project” for purposes of CEQA, it would be Categorically Exempt (Class 1) from the provisions of CEQA pursuant to (1) CEQA Guidelines section 15309 for project inspection services, (2) CEQA Guidelines section 15301 for the operations, repair, maintenance, permitting, or minor alteration of existing structures or facilities involving negligible or no expansion of use beyond that existing at the time of the lead agency’s determination, and CEQA Guidelines section 15303 for new construction, installation or conversion of a limited number of small structures, facilities or equipment.

**STAFFING IMPACT (# OF POSITIONS):** The proposed action will not create any permanent OIAA positions.

**IMPACT ON OPERATIONS:** This action will not impact ONT operations.

**SCHEDULE:** N/A

**ATTACHMENTS:** Second Contract Amendment

SUBJECT: ADOPTION OF 415(M) PLAN AND DESIGNATION OF ELIGIBLE EMPLOYEE

RELEVANT STRATEGIC OBJECTIVE: Attract, Retain, and Incentivize Key Employees

RECOMMENDED ACTION(S): That the Ontario International Airport Authority (OIAA) adopt the Ontario International Airport Authority Excess Benefit Plan.

FISCAL IMPACT SUMMARY: Funds for this are approved in the FY 2019-2020 OIAA budget.

BACKGROUND: The OIAA currently maintains two retirement plans for the benefit of OIAA’s eligible employees, an eligible deferred compensation plan (“457(b) Plan”) and a money purchase pension plan (“401(a) Plan”). Both plans are defined contribution plans. Accordingly, a participant’s benefit under each plan is based solely on the participant’s individual account balance, which comprises contributions to the account as adjusted for investment earnings and losses. The plans qualify for favorable tax treatment—contributions to the plans, and any related investment earnings, are not taxable until distributed to participants. Distributions generally are not permitted until after a participant’s OIAA employment terminates.

Under the tax laws, contributions to a participant’s accounts under the 457(b) Plan and 401(a) Plan for a calendar year cannot exceed applicable limits for the year. For 2019, the limits are as follows:

- For the 457(b) Plan, the lesser of (1) 100% of the participant’s compensation for the year, or (2) $19,000. (A higher dollar limit applies if the participant qualifies for certain catch-up contributions).

STAFF MEMBER PRESENTING: Chief Executive Officer, Mark A. Thorpe

Department: Administration Submitted to OIAA: ___________________ July 31, 2019

Approved: ___________________ Continued to: ___________________

Chief Executive Officer Approval: ___________________ Denied: ___________________
• For the 401(a) Plan, the lesser of (1) 100% of the participant’s compensation for the year, or (2) $56,000.

OIAA may, however, contribute amounts in excess of these limits to a “qualified governmental excess benefit arrangement” within the meaning of section 415(m) of the Internal Revenue Code (“415(m) Plan”). Like 457(b) and 401(a) Plans, a 415(m) Plan is a defined contribution plan. And a 415(m) Plan generally receives the same tax treatment as those plans—that is, amounts contributed to the 415(m) Plan and related earnings are not taxable until distributed from the plan.

However, a 415(m) Plan differs from a 457(b) and 401(a) Plans in two key respects. First, 457(b) and 401(a) assets are held in secure trusts shielded from the claims of OIAA’s creditors; by contrast, 415(m) assets cannot be shielded from creditors’ claims. Consequently, in the unlikely event that OIAA becomes insolvent, any assets reserved by OIAA for the 415(m) Plan would, like any other unsecured OIAA general asset, be subject to the claims of creditors. Second, the tax laws require that the 415(m) Plan specify when distributions will be permitted. (By contrast, generally, 401(a) and 457(b) Plans may allow participants full discretion on when to receive distribution of their accounts after terminating from employment.)

Nevertheless a 415(m) Plan would enable OIAA to make retirement contributions in excess of the existing plans to qualifying individuals. Adopting a 415(m) Plan would be a useful benefit for attracting and retaining qualified individuals. The 415(m) Plan can perform this role, serving as a valuable additional employee retirement savings vehicle, but without requiring the OIAA to assume the funding risks and liabilities associated with pension plans.

Staff therefore recommends that the OIAA adopt a 415(m) Plan.

PROCUREMENT: Not applicable for this action.

IMPACT ON OPERATIONS: This action will not impact ONT operations.

RESOLUTION NO. _______

A RESOLUTION OF THE ONTARIO INTERNATIONAL AIRPORT AUTHORITY COMMISSION ADOPTING THE ONTARIO INTERNATIONAL AIRPORT AUTHORITY EXCESS BENEFIT PLAN

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE ONTARIO INTERNATIONAL AIRPORT AUTHORITY:

• Effective August 1, 2019, the Ontario International Airport Authority ("Authority") hereby adopts the Ontario International Airport Authority Excess Benefit Plan, a qualified "qualified governmental excess benefit arrangement" within the meaning of section 415(m) of the Internal Revenue Code ("415(m) Plan"), substantially in the form attached as Exhibit A with any revisions recommended and approved by legal counsel.

• The Authority’s current Chief Executive Officer ("CEO"), Mark A. Thorpe, is hereby designated as an Eligible Employee under the 415(m) Plan. No other person is eligible to participate in the 415(m) Plan unless designated by the Board of Commissioners.

• The CEO is authorized and directed to (i) take any actions deemed necessary or appropriate to effectuate the intent and purposes of the foregoing resolutions, including but not limited to preparing, executing, and delivering all documents necessary for the implementation of the 415(m) Plan, and (ii) adopt any amendment to the 415(m) Plan that either is necessary to conform the relevant plan’s terms with governing law, or is ministerial in nature and does not increase the Authority’s costs.

PASSED, APPROVED, AND ADOPTED this 31st day of July 2019.

SUBJECT: AUTHORIZE APPROVAL TO RENEW THE MICROSOFT ENTERPRISE AGREEMENT FOR OFFICE 365

RELEVANT STRATEGIC OBJECTIVE: Develop Airport-Related Businesses

RECOMMENDED ACTION(S): That the Ontario International Airport Authority authorize the renewal of the Microsoft Enterprise Agreement for a term of three years with Software One.

FISCAL IMPACT SUMMARY: The total cost for the three-year agreement is $182,350.00 billed in 3 yearly installments of $60,783.88. The cost includes Office 365 and Software Assurance for all Ontario International Airport Authority Enterprise Microsoft Products.

BACKGROUND: On November 1st, 2016 the Ontario International Airport Authority (OIAA) took back local control of the Ontario Airport from Los Angeles World Airports (LAWA). To support that transition, the OIAA choose to enter into an Enterprise Agreement with Microsoft to license Office 365 to help lower startup costs, increase security, and reduce the use of on-premise hardware.

This initial agreement is about to expire and will need to be renewed to prevent a disruption in service.

PROCUREMENT: The County of Riverside negotiated a contract with Microsoft that allows California Government agencies purchase Enterprise License Agreements for Microsoft Software at an extreme discount. A limited number of vendors are able provide quotes using this contract. The

OIAA contacted 3 vendors able to quote from the contract for pricing, only CDWG and Software One provided quotes.

OIAA and City of Ontario IT staff reviewed the quotes and determined that the quote submitted by Software One was the lowest responsive quote. As a result, staff recommends the procurement of the Microsoft Enterprise Agreement from Software One.

RELEVANT STRATEGIC OBJECTIVES: Improve Airport Business and Property, and Improve Operational Efficiencies

RECOMMENDED ACTION(S): That the Ontario International Airport Authority (OIAA) authorize the Chief Executive Officer (CEO) to negotiate and execute a Lease Agreement (Lease) between the Ontario International Airport Authority (OIAA) and Majestic Terminal Services (MTS).

FISCAL IMPACT SUMMARY: The anticipated annual revenue from an initial five-year term is expected to be approximately $1.1 million. This rent will be calculated based on the FY2019 rates, and on and after July 1, 2020, OIAA will have the right to adjust MTS’s rent to reflect a fair market value as reasonably determined by OIAA. Thereafter, rent will be adjusted annually to the CPI.

BACKGROUND: In order to enable the development of the Northwest quadrant of the airport for the new Federal Express air terminal and sort facility, the current facilities occupied by MTS need to be demolished. This Lease will enable MTS to continue operating at ONT for the benefit of the flight operations of its high-volume cargo customer(s). If approved, MTS’s current facility use agreement will be surrendered, and will be replaced by the new lease. This process will increase operational efficiencies at ONT and consolidate MTS’s existing cargo support operations to the new location.

Item No. 08
SUMMARY OF PROPOSED LEASE TERMS:

OIAA staff and MTS representatives have engaged in substantive lease discussions, and the parties developed a proposed lease framework, consisting of the following key points:

Parcels. MTS proposes to occupy approximately 674,003 square feet of ground space at the Airport. These areas consist of varying uses within the airfield cost and terminal cost centers. Generally, MTS proposes to occupy new facilities under construction, ground GSE ramp(s), paved and unpaved lots, three temporary trailers, and other related facilities. Many of these areas were not fully utilized, and a lease with MTS will put them to productive use.

Term. The proposed term of the lease will be five (5) years, which may be extended upon mutual consent afterwards. MTS will have an early termination right on or after second anniversary date following commencement, upon providing OIAA: (1) 180 days prior written notice, and (2) paying a termination payment equal to the sum of six (6) times the then current monthly rent. The OIAA also has a termination right after the second anniversary upon timely written notice.

Rent. OIAA proposes to receive an initial base ground and facility rentals based on the current rental rates established by OIAA for similarly situated tenants at the Airport. Currently, the proposed annual rent for these areas will be approximately $1.1 million. On and after July 2020, the OIAA may convert the rental to a fair market rate, as would be consistent with similarly situated tenants at the Airport. Thereafter, the OIAA proposes to adjust rent annually thereafter to no less than the CPI. Over the life of the lease, OIAA expects approximately $5.5 million in rent revenue.

CEQA COMPLIANCE AND LAND USE APPROVALS: The issuance or approval of leases, agreements, renewals, amendments, or extension thereof, granting use of an existing facility at a public airport, involving negligible or no expansion of use is exempt from the requirements of the California Environmental Quality Act (CEQA). In addition, to the extent any alteration of facilities occurs, CEQA Guidelines section 15301 provides an exemption for minor alterations to existing structures or facilities involving negligible or no expansion of use beyond that existing at the time of the lead agency’s determination.

IMPACT ON OPERATIONS: Upon the Commencement Date of the Lease, MTS’s current occupancy under a Facility Use Agreement of certain airport facilities and land will terminate, and such facilities and land so vacated will be utilized as a component of the FedEx program.

SECTION: ADMINISTRATIVE DISCUSSION/REPORT/ACTION

SUBJECT: AUTHORIZE THE CHIEF EXECUTIVE OFFICER TO NEGOTIATE AND EXECUTE A CONTRACT WITH ATYOURGATE LLC TO OPERATE AN ON-DEMAND DELIVERY AND SCHEDULED PICKUP SERVICE

RELEVANT STRATEGIC OBJECTIVE: (1) Provide Customer-Friendly Facilities and Services; and (2) Develop and Grow Non-Airline Revenue Sources

RECOMMENDED ACTION(S): That the Ontario International Airport Authority Board of Commissioners (OIAA Board) authorize the Chief Executive Officer (CEO) to negotiate and execute a contract with AtYourGate LLC (AtYourGate) to operate an on-demand delivery and scheduled pickup service that delivers food, beverages, retail and passenger services in Passenger Terminals at Ontario International Airport (ONT).

FISCAL IMPACT SUMMARY: Upon execution of this agreement, AtYourGate shall pay the Ontario International Airport Authority (OIAA) a seven percent (7%) Concession Fee of its monthly Gross Receipts and monthly rent of $1,007 with annual CPI increase for office/storage space (as shown in Exhibit B of the agreement) rented in the Passenger Terminals to support its operations.

BACKGROUND: ONT is a medium hub airport serving more than 5 million passengers per year and is a major air-cargo facility in Southern California, with more than 750,000 tons being carried to and from the airport each year. The OIAA believes that offering a mobile application for ordering, pick-up and/or delivery may be a way to enhance the customer experience at ONT while driving increased concession revenue to ONT’s concessionaires and the OIAA.
PROCUREMENT: On March 22, 2019, the Request for Qualifications and Expressions of Interest (RFQ/EOI) for Mobile Ordering App for In-Terminal Deliveries at Ontario International Airport was posted on PlanetBids with a due date of April 12, 2019. Four (4) firms were notified via PlanetBids and one (1) firm responded to the RFP. AtYourGate was found to be the most responsive, responsible proposer.

The proposed term of the proposed concession will be three (3) years, terminable upon ninety (90) days’ notice, and upon thirty (30) days’ notice for the premises location. AtYourGate will charge customers a “convenience fee” per delivery transaction, excluding pick-up or self-service transactions. AtYourGate may also charge existing terminal concessionaires a separate fee related to their offerings, but not during the first year of operations. AtYourGate agrees to provide prompt, courteous service and enhance passenger experiences at the Airport. Therefore, staff recommends the OIAA Board to authorize the CEO to negotiate and execute a contract with AtYourGate.

CEQA COMPLIANCE AND LAND USE APPROVALS: The proposed agreement is not a "project" within the meaning of Section 15378 of the CEQA Guidelines because there is no potential for a direct or indirect physical change in the environment. As a result, the authorization is not subject to CEQA.
