SECTION: CONSENT CALENDAR

SUBJECT: APPROVE AND AUTHORIZE THE COOPERATIVE LEASE OF TEN FLEET VEHICLES FOR OIAA STAFF THROUGH NATIONAL COOPERATIVE LEASING UNDER THE SAME TERMS AND CONDITIONS AS THE SOURCEWELL COOPERATIVE CONTRACT 032615-NCL.

RELEVANT STRATEGIC OBJECTIVE: Expand Air Service, Execute Tasks and Assignments

RECOMMENDED ACTION(S): That the Ontario International Airport Authority (OIAA) approve and authorize the Chief Executive Officer (CEO) to enter into a three-year contract with National Cooperative Leasing to lease and receive delivery of one (1) each 15-seat passenger van, two (2) each HOV access cars, three (3) each four-door sedans and three (3) each mid-size SUV’s, for a lease amount not to exceed $150,000 annually over the three-year term of contract.

FISCAL IMPACT SUMMARY: Funding of $27,000 was included in the Fiscal Year 2019 budget to lease a 15-passenger van. The OIAA has funds of $491,000 available that will be applied to the first year of the lease through surplus equipment sales not recognized in the current year’s budget. Funding for subsequent years will be requested through the annual budget process.

BACKGROUND: The existing OIAA vehicle fleet has exceeded its useful life cycle and requires replacement. Several vehicles are more than 7 years old, with some vehicles more than 11 years in age. High mileage vehicles require additional maintenance due to unanticipated repairs, breakdowns and worn mechanical parts. A 15-seat passenger van is needed to provide a reliable method of tour transportation capable of seating more than six passengers which requires multiple vehicles, staff coordination, and splitting of tour groups.
